

Big Year for Mining Says W. S. Harris

For the past number of years New Hazelton has been looking forward to that mining revival which W. S. Harris says is about to take place this season. The new mining has already got a good start although weather conditions have been against the operators. Besides the work at the Silver Cup it is stated that the American Boy property will resume operations about the middle of May. This property recently changed hands and the financing in the east is being handled by Wm. McAdam, who was formerly interested in mining on Rocher de Boule mountain. Then good progress is being made on the Sunrise and it will probably have quite a staff employed before the summer is advanced very far. Thus at least three mines will work on Nine Mile mountain this year.

LADIES AID TEA AND SALE

The Ladies Aid tea and sale of Easter novelties held at the parsonage in Hazelton on Saturday afternoon last week was a fine success, financially and socially. The tea tables were very prettily decorated and there was a good turnout of the citizens. During the afternoon home made candy was also sold. The ladies realized \$75.

CHURCH HAD A FINE YEAR

The last quarterly meeting of the board of the New Hazelton church was held in the church on Wednesday evening when reports were presented from all branches of the church activities. The finances of all the societies were found to be in good shape and the operation costs have all been met. During the year considerable money was spent by the trustees and by the Ladies Aid on improvements to the church property and also came to the assistance of the board in meeting the connectional funds which were exceptionally high. The church and the property are in pretty good shape, although in the near future repairs will be required on the foundations of the manse.

FINE DANCE AT TELKWA

Those from New Hazelton who took in the Easter Monday dance at Telkwa were Mrs. Thornton, Miss Richardson, C. H. and Mrs. Sawie, Pete Spooner, Dan McKenzie Messrs. Valde and Woodall; from Hazelton, C. W. and Mrs. Dawson, Miss Porfitt; from Klispiox, Messrs. Henderson and Greenway. They all report having a fine time and enjoyed the outing. The affair was in aid of the Nursing Home at Telkwa of which Miss Knock, one of the graduates of the local hospital graduate nurses is in charge. There was a big crowd at the dance and the floor and the music were excellent.

Misses Anna Johnson and Jessie Smith were hostesses at a party at the owner's home on Monday night. The youngsters had an enjoyable time.

Wm. Grant was admitted to the hospital as a patient Wednesday evening.

Bob Willan is now sporting a new car.

Mr. and Mrs. T. Hall of Canaby took in the dance at Telkwa Monday.

Wm. Grant was a business visitor at Smithers over the week end.

Usk

Skeena's Industrial Centre

Miss Jacquot is spending her Easter vacation at Evelyn where she formerly taught school.

Mrs. J. Fea and her son George Durham Fea, of Smithers are guests of Mr. and Mrs. W. R. Adams over the holidays.

Miss Violet Whitlow returned from Prince Rupert last Saturday to spend the holidays at home.

Miss Teddy Allen is spending a holiday with her sister, Mrs. Jack Smith. Jack Allen was also up for a trip but returned to Rupert on Tuesday.

A benefit basket social was held on Saturday night last in Bethurem hall which resulted in a net profit of about \$65.00.

Local road work has been started under foreman James Gail.

Mrs. Whitlow entertained a number of friends last Tuesday evening at a little dance given in honor of her daughter Violet.

Rev. Mr. Robinson held Easter services at Riverside House on Easter Monday.

J. D. WELLS BODY FOUND

The body of the late James D. Wells who was drowned in the Skeena river last Christmas, was found by Jack Sparkes, the local ferryman, on the shore at Usk on Tuesday, April 19th. The body was buried at his old home site where his brothers Amos and Andrew are now living. Cons. Service of Terrace was in town in connection with the finding.

L. A. NEWMAN

Chief Dominion Cerealizer, who originated the new Garnet wheat, has issued a final report on this new variety in which he forecasts a saving of millions of dollars for the Western growers, because it makes possible the extension of the wheat line at least a hundred miles farther north.

Rev. Mr. Proctor will conduct services at Kitwanga on Sunday. There will be no services in the Anglican church in Hazelton that day.

Rev. Father Leray arrived from the coast on Saturday and conducted special Easter services in the Catholic church on Sunday. There was a big turnout to greet a former pastor who had just returned from a trip abroad.

Geo. McBean Ready to Farm At Two Mile

George McBean has 160 acres adjoining A. Taylor's place at the Two Mile corner. He acquired it some 4 or 5 years ago and since then has cleared and put under cultivation something over twenty acres. He has erected some three miles of fencing and has gathered together some equipment for farming. He is clearing up a few more acres this spring. The farm is ideally located and is a perfect place for a large dairy farm. The soil is good for the most part, it is slightly rolling, well watered and there is sufficient grazing land on it for quite a herd. Two Mile creek runs through it and would supply, not only water to all possible buildings, but could be made to supply power to run all stationary machinery and light all buildings. The power development cost would be very small.

Up to the present McBean has only produced fodder crops. Like Mr. Taylor he is a bachelor and needs a housekeeper to take charge of things. He has tried to keep cows, but having to leave home for one or more months at a time, found it was not the best proposition under present conditions. He has hopes of a change some time.

A great feature in favor of these places is that all transportation problems have been solved; the water supply is sure; all experimental work with crops has been done and it has been proven that corn, alfalfa, clovers all kinds of grains will yield crops that will compete with any section of the continent. Of course all kinds of vegetables do exceptionally well and fruit has been successfully grown in all parts of the district.

So far as the climate is concerned, there is none better and the man who wants to farm can do no better than get into this section and get busy.

Terrace Notes

Miss Elsie Brook of Hullat is the guest of L. H. and Mrs. Kenney.

Mrs. Geo. Little entertained the B. D. bridge club on Tuesday evening of this week.

Mr. and Mrs. P. Monckton entertained a few friends at a delightful dinner party on Easter Sunday.

A slight appreciation of service was shown by members of the Ladies Guild on Thursday last at the residence of Mrs. T. Brooks, when they presented their president, Mrs. Wm. Allen with a beautiful set of tea spoons Adams pattern community plate. Mrs. Allen, in replying expressed her appreciation of the good feeling existing and hoped she would continue to be worthy of it.

The many friends of Mr. and Mrs. Jas. McConnell will be glad to learn that their little daughter Gertrude, who underwent an operation on Monday is making a good recovery.

Mrs. Warbuck and daughter of Prince Rupert spent a few days the end of the week on their ranch.

Fred Scott was in Rupert recently.

Capt. Colthurst was host at a delightful dinner party at his home on Good Friday. The guests say that the Captain is an ideal host.

Along the Skeena

William Brand has moved off the Cassiar ranch to his own place on the hill. He says that as soon as he can dispose of his equipment he proposes to give up farming. The Cassiar ranch is now in charge of Mr. McNeil for Mr. Medd the new owner. He is having the house put in shape before putting his family into it. Mr. McNeil is greatly taken with the Skeena river district and hopes to make his permanent home at Woodcock.

After having been closed for several years the Cedarvale district school is to be reopened after the Easter holidays. Miss Warr of Victoria has been engaged as teacher. Plans and specifications are being prepared for a new school building to be ready for the opening of the fall term. The building will be 20 by 30 feet. In the interval the church hall will be used as a school.

The boom has been put across the Skeena at Cedarvale and as soon as the water is high enough the big drive will start. There is more cedar this year than ever and the boom camp will be a busy place the rest of the year.

W. C. Little of Woodcock, the turnip farmer, has recently received from Victoria 24 pheasants which he has let out and woe onto the person he finds gunning for them. He hopes to control the cut worm nuisance with the birds.

Mrs. Dungate is visiting at the home of Mrs. Tordiff at Cedarvale.

Mrs. (Dr.) Ardaugh of Kitwanga spent the week end with her granddaughter.

Miss R. Dacon and Miss Marsh of Prince Rupert spent the Easter holidays with Rev. and Mrs. Marsh.

Miss Sibary of Copper City spent the week end with Miss Mallott and on Tuesday went to Rupert.

F. Bellway left Tuesday for Seattle on a business trip.

Jas. Swann made a business trip to the east on Monday.

Knute Olson and two children left for Prince Rupert on Tuesday for medical treatment.

Mrs. Noonan and children of Telkwa are guests at the home of her mother, Mrs. F. Bohler.

Mr. and Mrs. Diggle and family of Fraser Lake arrived Sunday to look over the prospects of moving here.

T. L. Thomas of Pacific spent a few days in town.

G. Melcher who has been confined to the hospital as the result of an injury received in the woods, returned Monday feeling fit.

The Parent Teachers held their regular monthly meeting in the school house on Thursday evening last when over fifty were present. The feature of the evening was Dr. Turpel's talk on health. Solos were rendered by Revs. Robinson and Allen.

Rev. and Mrs. Allen entertained the junior C. G. I. T. on Monday when 80 children were present. They climbed to the top of Thornhill mountain and there spent several happy hours. On Tuesday the boy scouts and trail rangers were taken out and on Wednesday the senior C. G. I. T. had a picnic.

Hospital Day On May 12th Getting Ready

Arrangements are now under way for the observance of Hospital Day at the Hazelton hospital on May 12th. The board of directors on Wednesday evening appointed a committee to co-operate with the W. A. to the H. H. in preparing the program and in carrying off the various events connected with the day. As has been the custom for a number of years there will be no call for money and none will be expected, except from the patrons of the special picture show and of the dance should the committee decide to put one on. It is expected that the program will be just as attractive this year as ever and that a large number of people will avail themselves of the opportunity to visit the institution.

OFF TO EDMONTON

Messrs. F. G. Dawson, Supt. W. H. Tobey, Wm. Fulton, M. M. Stephens, M. P. McCaffery and Olof Hanson were delegates from the Prince Rupert Board of Trade who left Monday for Edmonton to visit the Board of Trade in the Alberta capital. There are a number of important matters which effect the two cities and these friendly visits are going to help them both in developing their trade.

EASTER AT THE UNITED

Easter services were held in the United church last Sunday both morning and evening by Rev. Wm. Allen. The church was nicely decorated for the occasion with flowers and plants. At the morning service there was also a baptismal service when Christena McLeod Ardaugh was baptised, and the communion service. In the evening it was largely a musical service and a large congregation was present, the church not being able to hold all who sought admission. Mrs. S. Kirkaldy presided at the organ and others who took part were:—Rev. Allen, "The Resurrection"; F. Hall, "Leave it with Him," Mrs. Allen "Open the Gates"; Mrs. S. Kirkaldy, "I heard the voice of Jesus say"; Mrs. Allen and Messrs. Hall and Allen, "What are thees"; Messrs. Hall and Allen, "Wachman, what of the Night".

The special Easter services were held in St. Matthews church Sunday morning with a large congregation present. Owing to the sickness of Mrs. Von Hess, Miss U. Marsh kindly officiated at the organ. Mrs. Robinson and Mrs. Giggy sang a duet. An interesting feature of the service was the thanks moved for the curtain for the organ and the flowers for the service given by the W. A., an elegant organ stool made and given by Rev. T. J. Marsh.

On Good Friday last two services were held in St. Matthews church, including one for children in the afternoon. Both were well attended.

Th. Oedelfellows and Rebecca will attend divine service at St. Matthews church on Sunday, April 26th in the evening. There will be special music.

The five lady teachers entertained their friends at bridge on Monday last in the G. W. V. A. hall. There were seven tables and the prizes went to Mrs. Geo. Little and L. H. Kenney. After the games others joined the company and tables were laid for fifty guests. Dancing followed the refreshments. It was a grand night.

BRITISH COLUMBIA

THE MINERAL PROVINCE OF WESTERN CANADA

HAS PRODUCED MINERALS VALUED AS FOLLOWS:-

Placer Gold, \$77,663,045; Lode Gold, \$122,808,190; Silver, \$74,111,397; Lead, \$89,218,907; Copper, \$197,642,647; Zinc, \$39,925,947; Coal and Coke, \$273,048,953; Building Stone, Brick, Cement, \$44,905,886; Miscellaneous Minerals, \$1,594,387; Making mineral production to the end of 1925 show

AN AGGREGATE VALUE OF \$920,919,628

The substantial progress of the mining industry in this province is strikingly illustrated in the following figures, which show the value of production for successive 5-year periods:

For all years to 1895, inclusive	\$ 94,547,241
For five years, 1896-1900	57,605,967
For five years, 1901-1905	96,507,968
For five years, 1906-1910	125,584,474
For five years, 1911-1915	142,072,603
For five years, 1916-1920	189,922,725
For the year 1921	28,066,641
For the year 1922	35,158,843
For the year 1923	41,304,320
For the year 1924	48,704,604
For the year 1925	61,492,242

PRODUCTION DURING LAST TEN YEARS, \$404,049,000

Lode mining has only been in progress about 25 years, and only about one-half of the Province has been prospected; 200,000 square miles of unexplored mineral bearing lands are open for prospecting.

The mining laws of this Province are more liberal and the fees lower than any other Province in the Dominion or any Colony in the British Empire. Mineral locations are granted to discoverers for nominal fees. Absolute titles are obtained by developing such properties, security of which is guaranteed by crown grants.

N.B.—Practically all British Columbia mineral properties upon which work has been done are described in some one of the Annual Reports of the Minister of Mines. Those considering mining investments should refer to such reports. They are available without charge on application to the Department of Mines, Victoria, B.C. Reports covering each of the six Mineral Survey Districts are published separately, and are available on application. Reports of the Geological Survey of Canada, which Building, Vancouver, B.C., are recommended as valuable sources of information.

LET'S PLAY THE GAME

Don't be selfish. "Live and let live," is a pretty fair slogan for us all to adopt in this game of life. The fellow who plays a lone hand, never thinks or interests himself in his neighbors, may for a while profit by his selfishness but sooner or later he will fall by the wayside just as sure as we live. And, besides hasn't it been proven time and time again that team work in any venture, whether it be in business, sports or pleasure, is bound to win the day? Certainly it has, and it never will be otherwise, because no individual or no one industry can upset the basic principals upon which the world was founded.

Co-operation is the key note today, more than ever before. Then why not play the game fair with your local merchants? They are entitled to a living the same as anyone else, and just so long as they play the game with you, give you a fair price, service and quality goods it's an obligation you owe them to trade with them.

Make your slogan this year, "My Community First" and you will be rewarded far greater in the end than you will be by the continued patronage of outside firms. All your home town merchants want is an opportunity to serve you. Will you give them the chance?

NEGLECTING OUR HEALTH

"The best medical authorities in the land state that such disease as measles, whooping cough and even tuberculosis are preventable diseases, as much so as diphtheria and scarlet fever, they all being in the communicable class. If that is correct, and we know no reason to believe otherwise, then there is something radically wrong with the health department in this land. In the southern cities of this province there is, and has been for months, an epidemic of measles, etc. In our own section for weeks whooping cough has been enjoying almost a free hand, and apparently considered one of those things which children must have and that it must go through the family. But, according to the highest medical authorities this is not at all necessary.

In that case the medical authorities of British Columbia are not doing for the people of British Columbia anything like as much as the health authorities are doing for the cows, pigs and chickens of British Columbia. It looks to us that the thing of first importance in British Columbia is the health of our people. If all the above diseases are preventable then they should be prevented. That seems like a better and a more economical policy than the expenditure of millions on institutions to cure such diseases.

Had not the girls defied the weather man last Sunday and appeared in their straw hats and spring clothes, it was a safe bet that most people would have thought it was Christmas Sunday rather than Easter. Looked as if the calendar people had made a mistake.

After spending some weeks in Vancouver taking his pharmacy exams, Cooper Winch returned home Wednesday last.

A couple of Hazelton car drivers appeared in police court this week, one for driving without a license and the other for driving to the common danger. It seems they disagreed as to who was entitled to most of the road. A couple of native daughters were also before the magistrate for misconduct.

The Hazelton Hospital

The Hazelton Hospital issues tickets for any period at \$1.50 per month in advance. This rate includes office consultations, medicines, as well as all costs while in the hospital. Tickets are obtainable in Hazelton at the drug store or by mail from the medical superintendent at the hospital.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emption is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emption are to be addressed to the Land Commissioner of the Land Recording Division in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emption must be occupied for five years and improvements made to the value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin, "How Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and the land has been surveyed.

LEASES

For grazing and industrial purpose areas not exceeding 640 acres may be leased by any one person or company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts, and the range administered under the Grazing Commissioner. Annual grazing permits are issued, based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and

FATHER LERAY HOME AGAIN

Rev. Father Emile Leray who has
been on a six months tour of European
centres, was given a warm welcome
by his former parishioners on Satur-
day evening when he stepped off the
west bound train. It was the inten-
tion of the popular cleric to continue
on to Prince Rupert, to which point
he has been transferred, but his wel-
come back was so warm and his old
friends were so insistent that he con-
sented to make a stop over. He con-
ducted the services in the church on
Sunday, and he gave a very interesting
account of his travels. On Monday
evening he resumed his journey to
Prince Rupert carrying with him an
urgent request that an effort be made
to provide for his resuming charge of
the Prince George parish before the
close of the present year.—Prince
George Citizen.

CANADIAN NATIONAL EUROPEAN TOURS

...A maximum of travel through par-
ticularly interesting countries at a
minimum of expense is provided in
the Canadian National Educational
Tours this summer through Scotland,
England, France, Belgium, Switzer-
land and Italy. Two tours have been
arranged and sailings will be made
from Montreal, July 8th, on the s.s.
"Andania" direct to Glasgow. Very
careful attention has been given to it-
ineraries involved.

Tour No. 1 is a thirty-seven day trip
on sea and land, visiting important
cities in Scotland, England, France,
Belgium, Switzerland. All expenses,
\$372.50, Montreal to Great Britain, the
continent and return to Montreal.

Tour No. 2 is a 51-day trip on sea
and land, visiting Scotland, England,
France, Belgium, Switzerland and Ita-
ly. All expenses \$501.00, Montreal to
Great Britain and the Continent and
return to Montreal.

There will be low excursion fares to
the sea board from points in British
Columbia.

These tours will be personally con-
ducted from Western Canada, and
while overseas will be under the direct
care and supervision of thoroughly re-
sponsible and reliable organization,
fully qualified in every particular to
successfully look after the interests of
our patrons.

The sight-seeing program is very
complete and generous. Motor coach-
es, and automobiles are freely used.
All sight-seeing is well planned to save
unnecessary fatigue and to see the
worth while places within the time at
our disposal. Competent lecturers
will reveal to our patrons the outstand-
ing features, literary, historic, artis-
tic or scenic of the Old World centres
visited.

Any local agent for the Canadian
National Railways, will be glad to dis-
cuss these tours and arrange details.

QUICK NEWS

Kerr Bros. have cut up a big pile of
wood for D. T. Greene. Well, it will
take a lot to thaw things out this sum-
mer

Mr. Stussi is slowly adding to his
dairy herd, five head this week.

Jas. Bentle was in Smithers last
week and disposed of some fox fur as
well as some breeding stock.

Jack Palmer has added another cow
to his herd.

John Pearson is doing some slash-
ing. A lot of good pulp timber is go-
ing up in smoke because there is no
market.

Carl and Mrs. Wakefield were on
the way to town last week when the
buggy pole came loose on one side and
the result was a lot of damage and ex-
citement, but nothing that cannot be
repaired.

Angus Kerr had a nice heifer which
fell off John Pearson's farm a while
back. When found they had to pick
it up in a basket.

VANCOUVER EXHIBITION

An honorary vice-presidency of the
Vancouver Exhibition Association has
been wished on C. H. Sawle. His du-
ties will be to represent the Van-
couver Exhibition Association in this im-
mediate district and to supply infor-
mation to intending exhibitors at the
big fair. Exhibits from this district
should be sent to Vancouver for the
advertising benefits derived. This
district is looking for settlers and vis-
itors. One of the best places to get in-
touch with both is at the big fair and
a good exhibit is one of the best intro-
ductions. Price lists will be ready in
a short time. It will be a big show.

Now, you need not
plan ahead if you
wish to lacquer a
chair, a table—or
even an entire floor.
For, Permalak dries

Short Stories Close to Home

For insurance and other important matters see Wm. Grant's Agency.

The Felix Club entertained their husbands again last Friday night at the home of Mrs. Anderson. Prizes were won by Mrs. Wm. Gow and Mrs. Chappell, and by C. H. Sawle and R. S. Sargent. The evening was a very pleasant one.

Hugh Harris came down from Topley on Sunday morning to spend the Easter holidays.

Mrs. Mathieson was not feeling in the best of health over the week end.

Mrs. E. R. Cox returned home last week after her trip to Vancouver and Victoria.

Clyde Hunt returned last week from Decker Lake.

Mrs. Sid. Benett of Ootsa Lake arrived Sunday morning to visit her aunt, Mrs. S. H. Senkpiel.

Mitchell E. Newman of Queen Charlotte Islands, arrived home Saturday night to spend the Easter holidays. Mich. came over on a launch and he prefers a car to a gas boat as a means of transportation in rough weather.

On Easter Sunday morning the citizens awoke to find the ground covered with snow and a nasty winter wind blowing. But the girls donned their Easter wear just the same.

Charlie Benson got in the way when one of the tires on the big truck blew up. His nose suffered the most.

Miss Fronie Spooner spent Easter in Smithers and took in the dance Monday at Telkwa.

Very successful Easter services in the United church in Hazelton were held on Sunday evening. There was large congregation and Rev. Young gave them a good address. There was a vocal quartette by Misses Miller and Duffie and Messrs. Warlock and Henderson, and a solo by Mr. Warlock.

Rev. J. H. Young went down to the Crossing to attend a social evening in connection with the church and on Tuesday went on down to Woodcock and Cedarvale to clear up church business before the close of the year.

On Wednesday afternoon of last week the W. A. to the H. H. made a presentation to Mrs. Clyde Hunt of a blue jardiniere in recognition of her valuable services as convenor of the sewing committee. Mrs. Hunt presented her resignation that afternoon as she may be going away shortly.

In connection with the Easter services in New Hazelton last Sunday the children sang a couple of times, Miss Anna Johnson taking the solo part. Rev. J. H. Young gave a good Easter sermon. After the regular service there was a communion service.

Dick Cusick is spending a few weeks holidays around his old stamping ground while the mill is being installed at the Duthie mine. Dick has been on the job now pretty steady for a long time and he says he can stand a hell day and not feel hurt.

The Indians of Hazelton are enlarging their athletic grounds on the big bench out of Hazelton. They are doing a lot of practicing this spring and recently gave the white players quite a trimming. The whites are going to do some practicing now too.

A. McDonald of Telkwa was a visitor here the first of the week.

There was a good representation of New Hazelton people at the pictures on Tuesday evening.
